

Office for today

Cleanliness

Our fully serviced offices are cleaned and sterilised throughout the day.

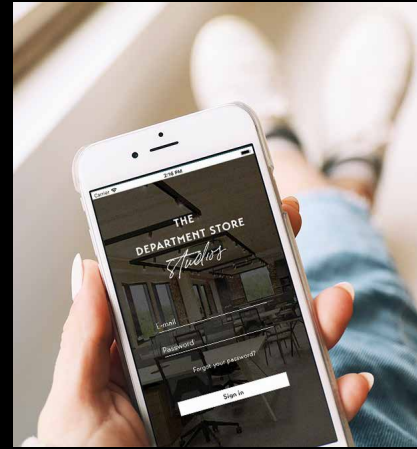

Hand sanitising stations located throughout the building.

Air quality

All offices and meeting rooms have openable windows so that the building can be naturally ventilated rather than relying on recirculated air.

Airy high floor to ceilings.

Touch points

Door lock and unlock functionality from your phone.

Sensor taps.

Virtual community.

Online events.

Transport

Being a local workspace means you may not need to take public transport.

If you do need to travel longer distances, we have increased cycle storage, showers and laundry facilities.
